

Holiday Cookie Swap with Coffee “Cookies, Coffee & Community”

Event Description

Deck the halls with cookies and coffee! Hosting a cookie swap is the perfect way to spread festive cheer and bring your residents together. Imagine tables filled with homemade goodies, the comforting scent of fresh SipWithMe coffee in the air, and neighbors connecting over the joy of the season.

Tips!

- **Confirm Cookie Count:** Ask each participant to bake three dozen *homemade* cookies.
- **Deter Duplicates:** Have residents share the type of cookie they plan to bring when they RSVP.
- **Swap Secrets:** Ask residents to bring printed copies of their recipes to the event ([customizable Canva template](#)) and/or email a copy to you. After the event, share recipes on social media and/or create a community cookie cookbook.
- **Promote Pretty Packaging:** Encourage individually packaged cookies or have residents arrange them on decorative platters. Consider a contest for “best display.”
- **Display Details:** Have each resident create a sign that includes their name, the cookie name and ingredients/allergens. Residents can create their own signs ahead of time, or you can print out blank signs for them to fill in at the event ([pre-designed template](#)).
- **Share Stories:** Give residents a chance to share the stories behind their cookies.
- **Present Prizes:** Consider prizes for best cookie, best display and/or most creative recipe.

- **Bring Bags:** Have 1-gallon plastic bags on hand for anyone who forgets a container.
- **Share the Sweetness:** Donate leftover cookies to a local charity or share them with the property team.

SipWithMe Event Unlimited Package:

If your property isn't on an Unlimited package, keep the drinks flowing with **SipWithMe Event Unlimited**. For \$100 an hour, dispense unlimited beverages and avoid the disruption of placing individual orders. To get started, contact clientsuccess@withme.com or learn more in our [SipWithMe resident event playbook](#).
