

## Espresso Martini Workshop “Get a Buzz Going!”

---

### Event Description

Host a fun and interactive resident event to craft the perfect espresso martini using SipWithMe's barista-quality coffee. This event is a great way to unwind and have residents mingle with neighbors.

We provide you with an espresso martini recipe (with printable recipe cards) along with templates to help you promote the workshop across email, social media, SMS, and printable flyer.

### All you need are the martini supplies!

Here's our list of recommendations:

- Coffee (from your SipWithMe machine)
- Kahlua (a coffee and rum liqueur)
- Vodka (any vodka will do – it doesn't need to be expensive!)
- Simple syrup (optional, but helps sweeten the cocktail)
- Ice
- Cocktail shaker with a strainer
- Martini glasses or [disposable cocktail cups](#)

Recipe: (for 1 cocktail)

- 1 oz. coffee
- 2 oz. Vodka
- ½ oz. coffee liqueur (Kahlua)
- ½ oz. simple syrup (optional if prefer a sweeter cocktail)

## Instructions

- Brew the SipWithMe coffee
- Pour into a bowl to cool quickly
- Fill the cocktail shaker with ice
- Add the cooled coffee, Vodka, simple syrup and Kahula
- Shake it with some force for 30 sec. so the foam can form!
- Strain the espresso into a glass and serve
- *Optional: garnish with a few espresso beans*

## **SipWithMe Event Unlimited Package:**

If your property isn't on an Unlimited package already, consider using **SipWithMe Event Unlimited** for your party. You can dispense unlimited beverages for \$100 an hour and keep your event running smoothly. To get started, contact [clientsuccess@withme.com](mailto:clientsuccess@withme.com) or learn more in our [SipWithMe resident event playbook](#).
