### Event Description

Let's give 'em pumpkin to talk about! Fall is back, and you know what that means – it's time for pumpkin spice and everything nice.

Celebrate the long-awaited return of the PSL (pumpkin spice latte) by making it the star of your next resident event. From digital marketing templates to the perfect recipe, we've designed everything you'll need to host a "perfect PSL" party (featuring SipWithMe, of course).

Not only will this event spice up your event calendar, but it will remind residents that SipWithMe is always available to help them savor the season.

### SipWithMe Event Unlimited Package:

If your property isn't on an Unlimited package, keep the drinks flowing with **SipWithMe Event Unlimited**. For \$100 an hour, dispense unlimited beverages and avoid the disruption of placing individual orders.

To get started, contact [clientsuccess@withme.com](mailto:clientsuccess@withme.com) or learn more in our [SipWithMe resident event playbook](#).

### Tips!

- If you don't have a community kitchen where you can make the pumpkin spice syrup as a group, prepare it in advance. The recipe we've provided makes enough syrup for 8 PSLs.

- If you don't have time to make the syrup by hand, purchase a premade one.
- Pair your PSLs with seasonal fall treats.
- To make your event even spicier, purchase seasonal toppings and sauces that residents can use to customize their creations – caramel, sprinkles, maple syrup, cinnamon sticks, pumpkin butter.
